

# NOW THEN

## Volunteer Path

The volunteer path is for people who want to be directly involved with the Now Then Festival movement and production.

This volunteer system is set up for people that do not have the funds but have the heart, drive and want to see a positive change in the world. We believe that everyone should have their opportunity to live their life in a way that they feel is proper for them. Both the cryptocurrency and nomadic lifestyles, whether it be digital or worldly nomad, gives you the opportunity to do just that.

Many people are unaware of both lifestyles that Now Then is bringing together. This will be an inaugural event for the Now Then Festival and movement as well as our partnership with the Awesome Possum Ranch. We have gone into a long-term relationship with Awesome Possum and have a 5 year contract that allows us to throw events, specialty type programs and education seminars to support the availability of this nomadic "free" lifestyle.

Our vision for the Volunteer Path is, we want to be able to help the people who need support (volunteers) to help the community that needs the help. In return, the community we help will pay it forward and help other communities as Now Then becomes a movement.

We've committed the next 5 years to creating a national (and even global) movement with Now Then.

The volunteer program for Now Then has a dynamic payoff based on how many hours you're able to work. For instance, if you work one day, which is an 8-hour period, whether it be before the festival or during the festival at one of the assigned posts, you will receive a one day general admission ticket for free.

For each day worked, it goes up that many more GA pass days. Work 3 days get a 3-day GA pass.

That means if you work the festival production for three days, for 8 hours a day, you get a 3-day general admission pass for free. But for whatever you sign up for, or whatever you volunteer to, you need to keep your word and stick to it. There's a lot of people counting on you for your position, no matter what it is. What you volunteer for might not be all that big in your eyes, but for the overall production, it is vital.

### Volunteers for VIP Passes

To get a VIP one day pass you need to log two weeks of volunteer work, which equates to 10 days worked.

A 2-day VIP pass is 15 days, or 3 weeks worked.

A 3-day VIP pass is 20 days...

This is VIP level, but it requires the most attention and the most time. Though, there's a full benefits VIP badge for your 30 days of effort. The VIP access will truly show the level we are taking the Now Then production to, and to become a part of the volunteer team to help pull this off makes you a VIP!

We are hosting the Now Then volunteer meetings at the Day Off Production Studio downtown Wichita Falls, every Monday from 6:00 until 8:00 p.m. located at 920 9th Street Studio One.

These meetings will start on the 21st of February and will run all the way to the event. They will be important meetings because we will be talking about the critical path and what is needed to be done within that week.

These are just some of the skills that will be needed from our volunteers and workers:

We need people who can clear shrubbery, manicure land, build things, run heavy equipment, and people who like to work outdoors and enjoy camping.

The land we're using for the event is about 85% cleared, but there's a lot of area that we can clear out that will give us a lot more space for the visitors and people who come to experience the festival.

We will also need a complete media production team, from director, camera operators, sound, background and set design, and lighting. Many of these positions are volunteer-based, but some of them do come with financial gains. It depends on the point of work that you're doing and the quality of work that can get done by the person volunteering. This will all be worked out as we go, and some volunteers will be promoted to paid compensation as we fill these positions.

We also need food and beverage volunteers. This includes managers, assistant managers, lead bartenders, cooks, preps, front gate security, VIP hosting and many other types of positions that will present themselves at time of need.

We will need two-stage crews. One Main Stage and one Influencer stage crew for set, run, and strike.

There is a lot that needs to get done to make this event a successful one. We believe that the right people will come together to help create the spark that ignites the Now Then Movement. The world is in a strange place right now. It's time for us to come together and move forward.

***Now Then, let's go!***
